You ask me, "What is autumn?"
And I think hard for a moment
And finally say, "I cannot tell you!"
But then I add quickly, as you turn away
"Wait! I cannot tell you, but
I can show you autumn!"

THIS COULD BE THE START OF SOMETHING BIG . . .

We'll *really* smile if you send a man in.

Sister Jane, alias The Pied Piper.

And they think I am such an angel.

VILLA IS . . . DIVERSITY

Gee, I wonder what we'll do tonight?

One of those days.

They say it's easy.

One good lick deserves another.

. . . once you get the hang of it.

We have to get our kicks someway.

A wild and crazy girl!!

And in the sweetness of friendship let there be laughter, and sharing of pleasures.

JUST ANOTHER DAY AT VILLA

Who is the dummy?

Bosom buddies.

We only accept girls with certain qualities.

Animal House.

All in the family.

I hope she saves some for us.

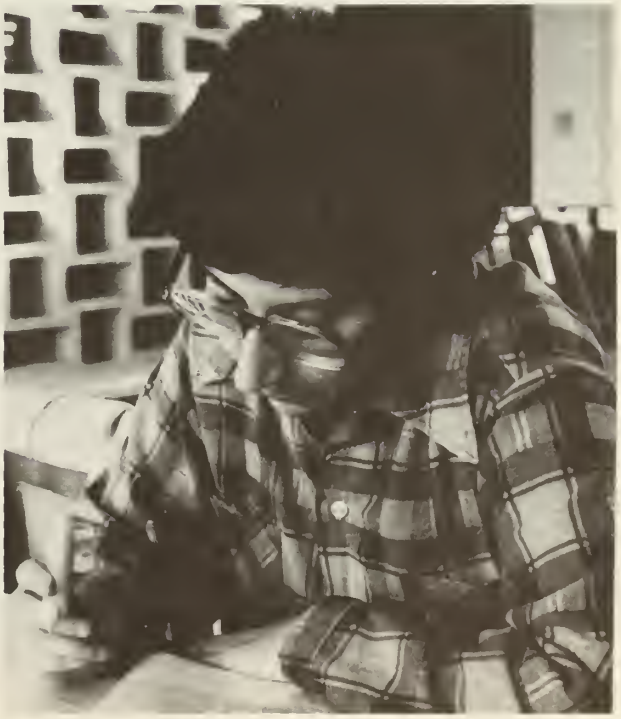
Are you sure this is the right end?

THANKSGIVING DINNER 1978

Is it dead?

The hallowed halls of Villa.

Guess what I have in my bag?



I'm sorry but . . .

The meeting of the minds.

Sure Gene, just because our parents are here . . .

Catching up on the outside world.

An apple a day keeps the professor away.

I'm getting a little tired of waiting.

Zzzz . . .

JUST DREAMING . . .

I'm really a little "spitfire."

I wish I may, I wish I might . . . I wish I had a date tonight.

You have a tall, handsome guest in the lobby.

"I got a B!"

Sure this is fun.

I can't take much more of this.

Because we continue to change, we continue to be . . .

My Mom told me there'd be days like this.

That sounds like a logical excuse.

Behind closed doors.

1. The Andrews Sisters.
2. And I thought she was so nice.
3. Well sweetie . . .

I need a history book, a math book, an English book . . .

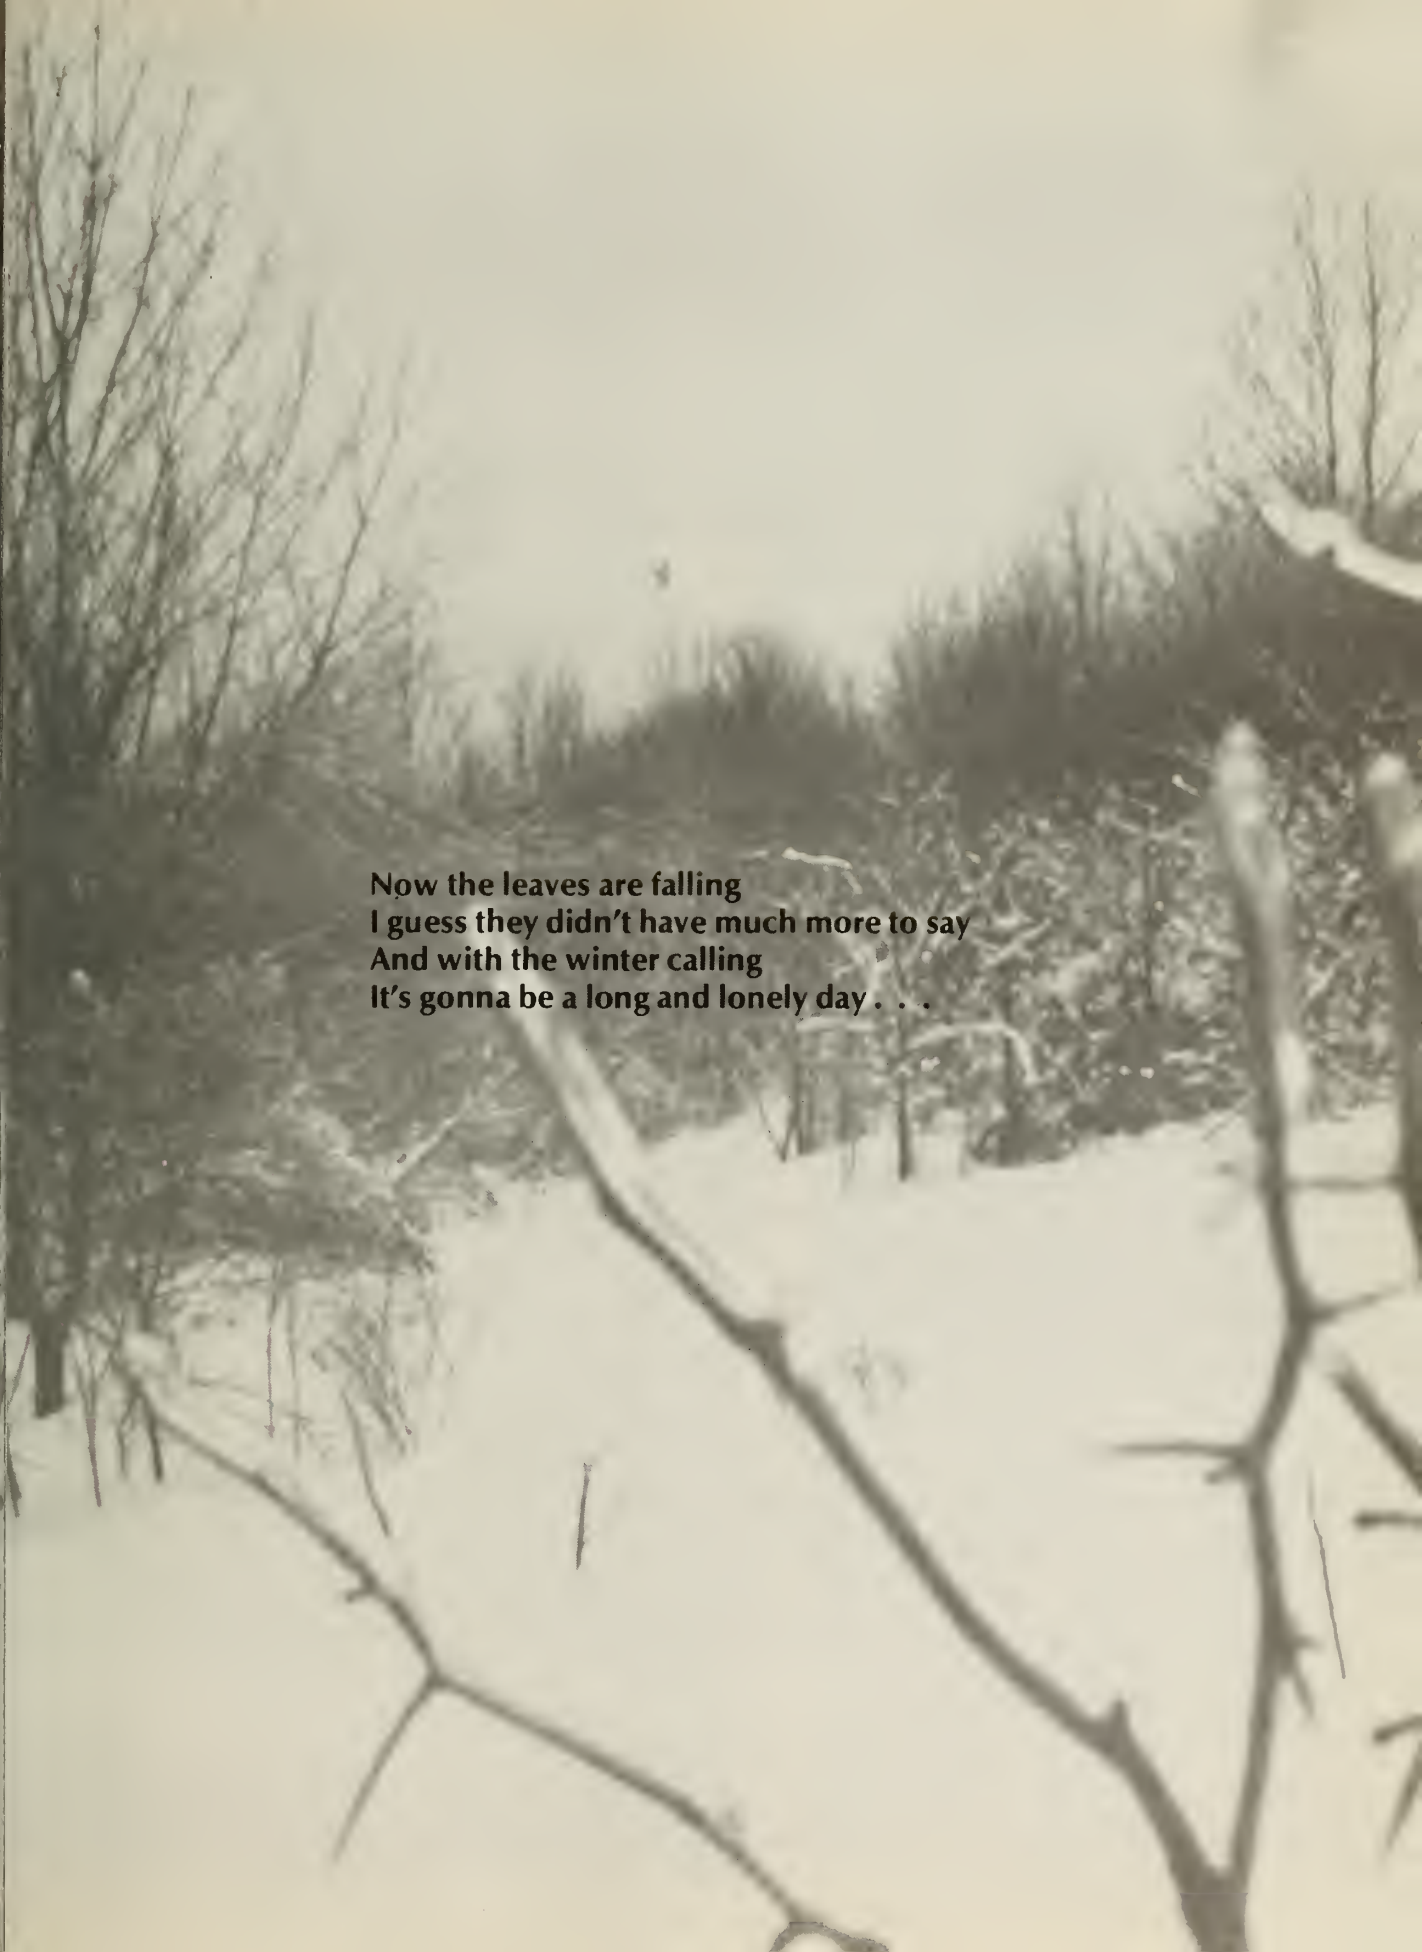
I can think of a million things I'd rather be doing.

. . . due today and still on my review of literature.

You mean I'm the only one here?

Oh my! They're not going to sing that song again.

Now girls, let's keep this a sterile field.



Now the leaves are falling
I guess they didn't have much more to say
And with the winter calling
It's gonna be a long and lonely day . . .

VMC Christmas.

Cover girl's smile.

"I wish I could remember that play!"

Winter Wonderland.

Once upon a time . . .

"Stroke one, stroke two . . .!"

Reading from the Gospel
according to Luke.

Thanks! We needed this!

If you don't settle down . . .

I knew I should have memorized this!

Angels we have heard
on high.

CHRISTMAS IN SONG AND CEREMONY

That's right —
we love it here?!!

Now . . . what was I gonna say.

"Joy to the world . . ."

Tabernacle Choir

On behalf of the senior class . . .

DAY STUDENTS

D.S.O. Officers

Deep discussion.

Betty Crocker's rivals!

I hope this punch
is spiked.

Ssshh! The baby is sleeping.

Come and get it!

Day Students' mailboxes.

Does anyone know a good joke?

A sing along.

Saturday Night Fever.

SWEETHEART DANCE

Drinking buddies.

Who said that dinners at Villa aren't classy?

You're supposed to be looking at the camera!

Dance to the music.

Let's trade partners.

That's right —
They're getting creamed!

Is the phone for me?

Almost like home, but . . .

There is barely enough
room here for guys to park.

No, it's not our laundry!

Which way to Villa?

Amen.

I thought skiing was
supposed to be downhill?

You say you're interested
in Chemistry?

Merry Christmas to the man
who makes us feel safe!

Hey look! It's Jacqueline Smith
and Farrah Fawcett in disguise.

Yes . . . We're the "studious ones".

The scenic view of Erie.

Hey — will the picture turn out sideways?

But if in your thoughts you must measure time into seasons, let each season encircle all the other seasons,

And let today embrace the past with remembrance and the future with longing.

It's time to leave . . .
Our beginning is
coming to a close
and so we look
toward tomorrow . . .

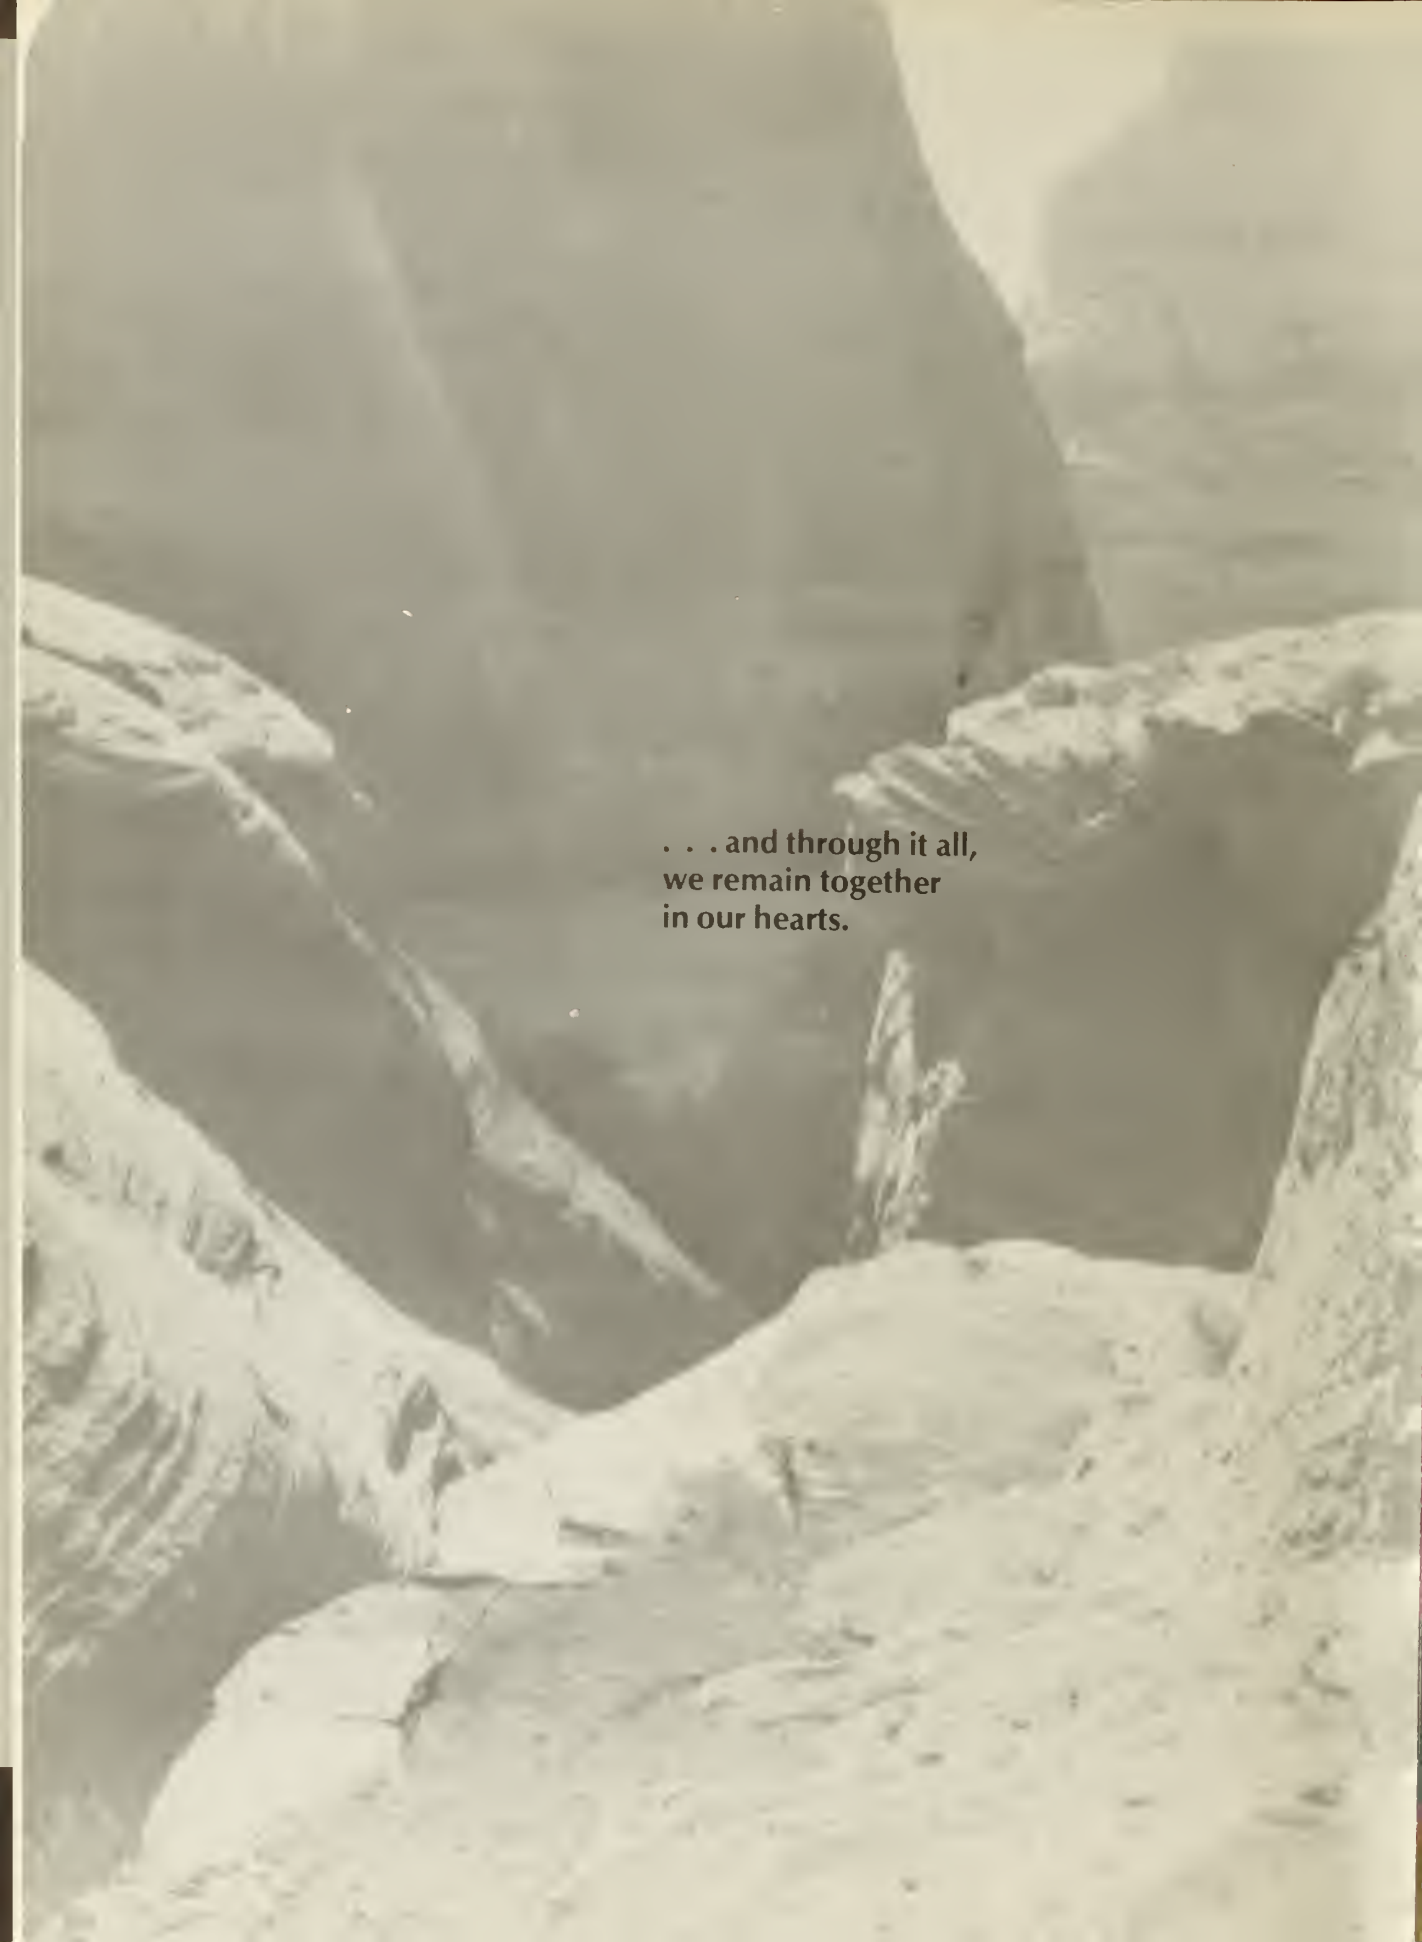
But let's look at
yesterday and today.
We arrived here alone
and began our adventure
together slowly, carefully,
not sure of what
was expected or sure
of what we wanted.

But during our time
we gave up our
loneliness and insecurities.

We gained new friends,
confidence in ourselves
and a special feeling
which cannot be defined
by words . . .
We leave so much stronger
for we have shared deeply.
I look at all of you and
smile . . .
for you are my friends.

Many thanks to our advisor John Young, Taylor Yearbook Representative John Krapp, and our staff: Karen Brennan, Diane Erickson, Marianne Krul, Tracy DeGruttola, Julie DePetris, Linda Perrine, Cindy Steudler, Suzanne Evans, Betty Lou Perkins, Pam Dine, Martha Modzelewski, MiMi Carlos, Mary Ellen Valimont, Karen Egger, Janet Davis, Lisa Schile, and Donna Dougherty.

Thanks — We couldn't have done it without you!
Michele and Anne



. . . and through it all,
we remain together
in our hearts.
